Dear Ms. Williams -

We are a long time homeowner in South Woodmoor (in Monument) and wanted you to be aware of our opposition to the minor kennel request by the Seglem's (neighbors directly behind us).

I have attached our letter written on 8/27/22 and sent on 8/28/22 to Kylie Bagley and to the El Paso County Planning and Community Development Committee. The Committee approved the request at their 10/20/22 meeting. I was unable to attend or watch but apparently there was no mention of any of the letters in opposition from several of the surrounding homeowners.

We are sending you this letter and email in hopes that you will take into consideration our thoughts and comments even though we are unable to attend the upcoming hearing on the 1st of November.

Thank you for your time.

Gina and Jim Hagglof

Kylie Bagley,

We have attached a pdf of our comments on the requested approval for a special use perit to allow for a minor kennel for the Seglem family. We feel this request should be denied but we do understand the tough situation this puts them in and we have included some suggestions on the attached document.

Could you please let us know that you were able to open the docuement.
If were not able to open it, we can copy and paste it into the body of this email.

Thank you for your time.

Jim and Gina Hagglof
