Holly;

It is been brought to my attention that you are voting on Tuesday for a minor kennel permit for one of our neighbors that backs up to the open space that we helped purchase. We are not in favor of allowing a minor kennel permit for our neighbor the Seglums. We feel 4 dogs is plenty for a neighbor to own in our community. We currently already have an issue with dogs barking. This permit would increase phone calls to WIA for barking dog issues. Also you will be setting a precedence for others in our neighborhood to request this variance. There was a limit to the number of dogs that a home owner can have in our community. They have other options if they would like this type of business. They can move to where they have additional acreage to take care of multiple dogs. I am not against our neighbors with dogs, but do understand the current rules to limit the number of dogs to 4.

This is our neighborhood and feel that the neighbors voices should be heard. Please vote NO on this variance.

Regards,
Sue Holmes
