Crawford Avenue Multifamily Development Plan, PPR-22-57

Please accept the following comments from El Paso County Public Health (EPCPH) regarding the project referenced above:

- **The 1.16-acre multifamily residential lot will be provided with water and wastewater services by the Security Water and Sanitation District.**
- **There is a finding for sufficiency in terms of water quality for drinking water obtained from this Colorado Department of Public Health and Environment, Water Quality Control Division, regulated public water system. PWSID # CO121775.**
- **There are Letters of Commitment to Serve water and wastewater services to the project dated 16Dec2022 from Security Water and Sanitation District.**
- **Radon resistant construction techniques/practices are encouraged to be used in this area. The EPA has determined that Colorado, and the El Paso County area, have potentially higher radon levels than other areas of the country.**
