**FILING 3 PLAT NOTES:**

- 1) Structural foundations on lots in this subdivision shall be designed by a Colorado registered professional engineer.
- 2) Individual wells are the responsibility of each property owner. Permits for individual wells must be obtained from the State Engineer who by law has the authority to set conditions for the issuance of these permits.
- 3) Sewage treatment is the responsibility of each individual property owner. The El Paso County Health Department must approve each system and in some cases the department may require an engineer designed system prior to permit approval.
- 4) The following reports are on file at the El Paso County Planning and Community Development Department: Soil and Geology Study Drainage Report, Water Resources Report, Wildfire Mitigation Report and Erosion Control.
- 5) All development within the Cathedral Pines Subdivision shall comply with the Development Guide as recorded at Reception No. 205001725, Development Plans recorded at Rec. No. 205001726 and Rec. No. 205008124 or otherwise amended by El Paso County following appropriate public hearings.
- 6) The addresses exhibited on this plat are for informational purposes only. They are not the legal description and are subject to change.
- 7) All property owners are responsible for maintaining proper storm water drainage in and through their property. Public drainage easements as specifically noted on the plat shall be maintained by the individual lot owners unless otherwise indicated. Structures, fences, materials, or landscaping that could impede the flow of runoff shall not be placed in drainage easements.
- 8) Mailboxes shall be installed in accordance with all El Paso County and United States Postal Service regulations.
- 9) No lot or interest therein, shall be sold, conveyed or transferred whether by deed or by contract, nor shall building permits be issued, until and unless the required public improvements have been constructed and completed in accordance with the subdivision improvements agreement between the applicant and El Paso County as recorded at Reception No. 206118090 in the office of the Clerk and Recorder of El Paso County, Colorado, or in the alternative, other collateral is provided which is sufficient in the judgment of the Board of County Commissioners, to make provision for the completion of said improvements.
- 10) The owner, its successors and assigns shall advise the Home Owners Association and all future owners of these lots of all applicable requirements of the Water Court Decree entered in Case No. 00CW85 (Division 2) and Case No. 00CW175 (Division 1) , and the costs of operating the plan for augmentation and responsibility for metering and collecting data regarding water withdrawals from wells.
- 11) The owner shall reserve in any deeds of the property 194 acre feet per year of Laramie Fox Hills Aquifer and 16.4 acre feet per year total of Arapahoe Aquifer water as decreed in Case No. 00CW85 (Division 2) and Case No. 00CW175 (Division 1) for use in this augmentation plan.
- 12) Water withdrawals and wells are subject to limitations, restrictions and augmentation requirements and responsibilities as found within the covenants for this subdivision recorded under Reception No. 205001735 in the office of the El Paso County Clerk and Recorder and the terms of the Water Court decree recorded under Reception No. 205001732.
- 13) Water in the Denver Basin aquifers is allocated based on a 100 year aquifer life; however, for El Paso County planning purposes, water in the Denver Basin aquifers is evaluated based on a 300 year aquifer life. Applicants, the homeowners association, and all future owners in the subdivision should be aware that the economic life of a water supply based on wells in a given Denver Basin aquifer may be less than either the 100 years or 300 years indicated due to anticipated water level declines. Furthermore, the water supply plan should not rely solely upon non-renewable aquifers; alternative renewable water resources should be acquired as may be needed and incorporated in a permanent water supply plan that provides future generations with a water supply.
- 14) This property is included within the Cathedral Pines Metropolitan District and is subject to the taxes, fees and requirements of that district.
- 15) Drainage easements and areas where the existing ground slope exceeds 30 percent are hereby designated as no-build areas. The location of these areas is shown on Sheets 2 and 3. Lot owners are also hereby notified that other areas of geologic concern may exist within this subdivision. Prospective lot owners should review any and all reports on file with El Paso County to familiarize themselves of any conditions that may affect building.
- 16) The Declaration of Covenants, Conditions and Restrictions for the Cathedral Pines Homeowners Association, Inc. is recorded at Reception No. 205001735 of the records of the office of the El Paso County Clerk and Recorder.
- 17) No direct vehicle access from lots in this subdivision will be allowed to Tract 5 which is reserved for the possible extension of Milam Road. Lot owners in this subdivision are hereby notified that Tracts 5 and 6 are reserved for a potential roadway. El Paso County may construct a roadway within these tracts at any time based on the County's sole discretion.
- 18) No driveway shall be established unless an access permit has been granted by El Paso County.
- 19) Due to wildfire concerns, the applicants and subsequent homeowners are encouraged to incorporate wildfire fuel break provisions as recommended by the Colorado State Forest Service and illustrated through publications available through the State Forest Service.
- 20) Homeowners should also refer to the wildfire mitigation plan as an assistance guide.
- 21) The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Department of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers, the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed threatened species.
- 22) This property is subject to the 2006 Supplement to Agreement regarding Milam Road Extension and Shoup Road Realignment Project, dated April 27, 2006, between El Paso County and Cathedral Pines by Kings Deer, LLLP, and recorded at Reception No. 206063021.
