Thank you Brent for turning this around so quickly.

I will let Jim Byers or Mike Mason handle the enumerations fee; can that be paid at the time of submittal for recording the plat, or will someone need to come by PPRBD to make the payment there?

Attached is the stamped copy of the revised plat. I didn't see where the \$960 Enumerations fee has been paid. We are in the office, so if you would like to send in a check that would be fine, or we take credit cards over the phone. Please let me know how you want to proceed. Thanks.
