

El Paso County Park Advisory Board

Agenda Item Summary Form

Agenda Item Title: Waterview East Preliminary Plan and Rezone

Agenda Date: December 13, 2017

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: **Endorsement:** X

Background Information:

Request for approval by Dakota Springs Engineering on behalf of CPR Entitlement, LLC, of Waterview East Preliminary Plan, consisting of 713 residential single-family lots on 169.3 acres. The site is located southeast of Colorado Springs, southeast of the intersection of Powers Boulevard / State Highway 21 and Bradley Road, east of Big Johnson Reservoir. Although zoned currently as A-5, the applicant will seek a zoning reclassification to RS-5000 as the project progresses.

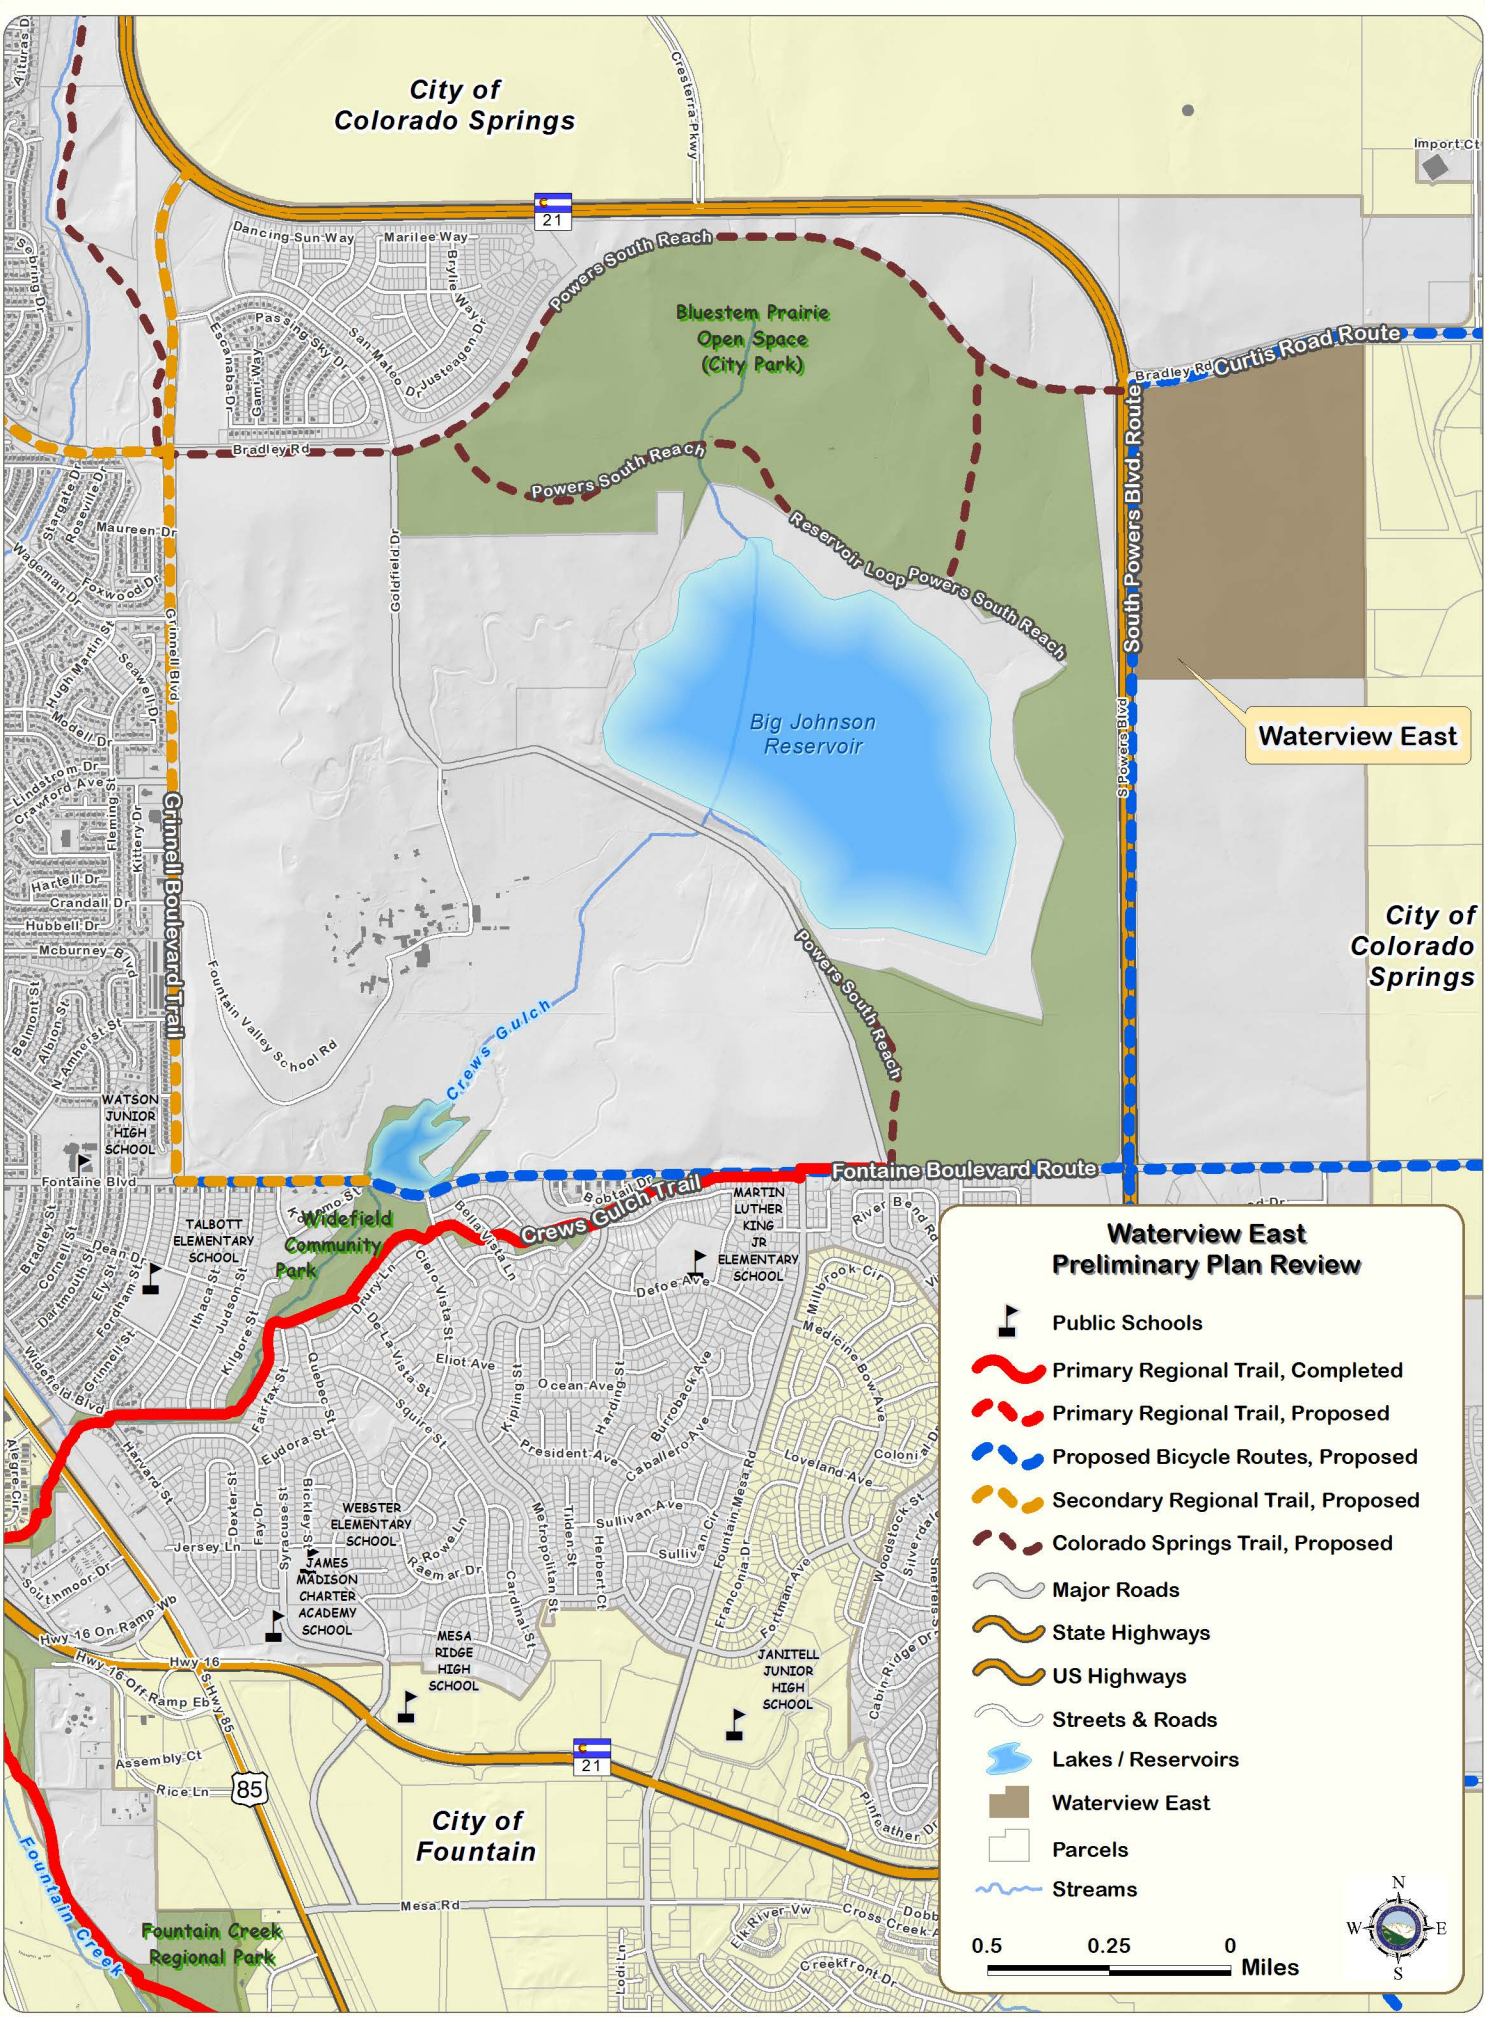

The 2013 Parks Master Plan shows the proposed Powers Boulevard Bicycle Route running north-south along Powers Boulevard/State Highway 21 on the west side of the property, as well as the proposed Curtis Road Bicycle Route running east-west along Bradley Road on the property's north side. Dedicated public right-of-ways already exist along the aforementioned bicycle routes, so no easement requests are necessary at those locations. However, the applicant is advised that multi-modal transportation options will be developed within the rights-of-way in the future.

The Waterview 2016 Sketch Plan Amendment shows the current subdivision application as Parcels P-17 and P-18 within the Phase II portion of the Sketch Plan. Phase II, at 195.4 acres total, lists 14 acres or 7.2% open space, and very little open space is dedicated wholly to parks or other recreational facilities. Tracts A, B, C, D, F, and G are described as *"open space, drainage, access, and utilities, which may include: recreational equipment, lights, signage, mail boxes, and utilities/drainage."* As such, El Paso County Parks staff encourages the developer to explore more robust and dedicated urban park options in the form of neighborhood pocket parks or other unique multi-generational recreation opportunities. Staff also recommends fees in lieu of land dedication for regional and urban park purposes.

Recommended Motion: Waterview East Preliminary Plan

Recommend to the Planning Commission and the Board of County Commissioners that the approval of Waterview East Preliminary Plan and Rezone includes the following conditions: (1) the developer is encouraged to explore urban park options in the form of neighborhood pocket parks or other recreational opportunities, (2) fees in lieu of land dedication for regional park purposes in the amount of \$290,191 and urban park fees in the amount of \$183,241 will be required at time of the recording of the Final Plat.
