**STAFF RECOMMENDATION/CONDITIONS OF APPROVAL**

***Subject to Airport Advisory Commission Action***

*Airport staff recommends **no objection** with the following conditions:*

- **Avigation Easement:** An avigation easement is requested or provide proof of previous recording (book/page or reception number).
- **FAA Form 7460-1:** If use of temporary construction equipment will exceed 100 feet above ground level in height at this site, the applicant is to file an airspace evaluation case with the Federal Aviation Administration (FAA) and provide the results to the Airport before the commencement of construction activities; FAA's website (<https://oeaaa.faa.gov/oeaaa/external/portal.jsp>).
