### **Helton Mini Storage, BOA-19-003**

Please accept the following comments from El Paso County Public Health for the 7.6 acre, setback variance request referenced above:

- El Paso County Public Health has no issue with the dimensional variance for front and rear-yard setbacks.
- Earthmoving activity in excess of one acre, but less than twenty-five acres, will require a Construction Activity Permit from El Paso County Public Health. Go to <http://www.elpasocountyhealth.org/service/air-quality> for more information.
- The water quality basin must have mosquito control responsibilities included as a part of the construction design and maintenance plan to help control mosquito breeding habitat and minimize the potential for West Nile Virus.
