BE IT FURTHER RESOLVED that the following conditions and notations shall be placed upon this approval:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The Applicant shall submit the Mylar to Enumerations for addressing.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of

applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.

6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate, as approved by the El Paso County Planning and Community Development Department, shall be filed at the time of recording the Final Plat.
8. Collateral sufficient to ensure that the public improvements as listed in the approved Financial Assurance Estimate shall be provided when the final plat is recorded.
9. Park fees in lieu of land dedication for urban park fees shall be paid at time of plat recordation if a park lands agreement is not completed with El Paso County Parks Division.
10. Drainage fees in the amount of \$289,389.00 and bridge fees in the amount of \$111,005.00 for the Bennett Ranch drainage basin (CHWS1200) shall be paid to El Paso County at the time of plat recordation.
11. The Haegler Ranch drainage and bridge fees are \$258,505.00 and \$38,151.00 respectively. The approved Haegler Ranch Drainage Basin Planning Study (2013) identified Pond SR-01 (aka Pond H) as a reimbursable facility with a construction cost estimate of \$220,957.00 to be constructed with this filing. Drainage fees equal to the pond construction cost estimate will be deferred resulting in \$37,548.00 in drainage fees due at the time of plat recording. Upon completion of the construction of Pond SR-01, the developer shall follow the procedures outlined in Chapter 3 of the Drainage Criteria Manual to assess the actual construction cost and determine if additional fees are due from the developer or reimbursement/credit are owed to the developer.

NOTATIONS

1. Final plats not recorded within 24 months of Board of County Commissioner approval shall be deemed expired, unless an extension is approved.
2. Per Board of County Commissioners Resolution 13-41, property within the Woodmen Road Metropolitan District is currently exempt from participation within the El Paso County Road Impact Fee Program.
3. No fees in lieu of school land dedication are required with the recordation of the final plat. All school land dedication requirements have been satisfied for the Meridian Ranch Development.

AND BE IT FURTHER RESOLVED that the record and recommendations of the El Paso County Planning Commission be adopted.

DONE THIS 11th day of September, 2018, at Colorado Springs, Colorado.
