Typically, capital credits are retired (paid) approximately 15-20 years after they are allocated. Whether you live near or far when your allocated capital credits are retired, they remain yours and a check will be issued to you. If we don't have your current address, we cannot get your capital credits check to you...where it belongs. *If you move outside of MVEA's service territory, please be sure to provide us with your new mailing address every time you move to ensure delivery of future checks. Don't miss out on your share of the cooperative!* If you have any questions about your capital credits allocation or retirement, please call MVEA at (800) 388-9881 or email capitalcredits@mvea.coop.
