

George O'Neill
935 Pinenut Court
Plan # R194597

To Whom It May Concern,

I am the homeowner at 935 Pinenut Court, and this is my letter of intent to construct a detached garage on my property.

Requesting Administrative Relief. The proposed location of garage will not dominate the street-scape. See scoping notes PS2481, and ADD24600, from Dennis Archuleta.

I could not find a Letter of Intent form on the PPRBD website, and have no idea what other information you may need.

Sincerely,

George O'Neill
