Please refer to the  
checklist below for  
report criteria

**FIRE PROTECTION REPORT CHECKLIST**

Revised: January 2022		
Fire Protection Report		
The purpose of the Fire Protection Report is to ensure that proposed development is reviewed in consideration of the wildfire risks and need to provide adequate fire protection in order to: 1.) regulate development, buildings, and structures so as to minimize the hazard to public health, safety, and welfare; 2.) ensure that adequate fire protection is available for new development; 3.) implement wildfire hazard reduction in new development; 4.) encourage voluntary efforts to reduce wildfire hazards; and 5.) reduce the demands from the public for relief and protection of structures and facilities. (Reference: Fire Protection and Wildfire Mitigation Section of Chapter 6 of the Land Development Code.)		
The PCD Director may modify the applicable requirements, including requiring additional items or removing items, based upon the project and site-specific circumstances.

RE: Villas at Aspen Trails, Commi

This letter is being written to serve for Villas at Aspen Trails.

The Security Fire Department currently provides fire protection services to the residents of Fountaine West of Powers. The services provided include structure and wildland fire coverage, response to medical situations, plan reviews, and fire inspections.

Additional construction will necessitate needed infrastructure to maintain the proper level of service to the citizens of the Security Fire Protection District.

If you have any questions please feel free to contact me.
