RE: Villas at Aspen Trails, Commitment Letter

This letter is being written to serve as a letter of commitment for emergency services coverage for Villas at Aspen Trails.

The Security Fire Department currently provides fire protection to the area of the South side of Fountaine West of Powers. The service provided include structure and wildland fire coverage, response to medical situations, plan reviews, and fire inspections.

Additional construction will necessitate needed infrastructure to maintain the proper level of service to the citizens of the Security Fire Protection District.

If you have any questions please feel free to contact me.

Thank you,
David Girardin
