Thank you John,

I have included Jessica Wodiuk in this response. She coordinates our non-jurisdictional dam applications and the process generally starts with her.

Have a good day.

Hello Elizabeth,

We are working through the El Paso County approval process for the Settlers Ranch Filing No. 3 residential subdivision in northern El Paso County (located along Settlers Ranch Road).

We have attached the DWR Notice Form for the proposed Settlers Ranch Stormwater Detention Pond #5, along with the SDI Form and applicable plans for the project (the proposed detention pond is detailed on Sh. C3.1-C3.2).

Please review and let me know if you have any questions or need any additional information.

Thanks,

John
