

VARIANCE OF USE (RECOMMEND APPROVAL)

Merriam moved that the following Resolution be adopted;

BEFORE THE PLANNING COMMISSION

OF THE COUNTY OF EL PASO

STATE OF COLORADO

RESOLUTION NO. VA-23-002

7135 TEMPLETON GAP - LANDSCAPING BUSINESS

WHEREAS, Fisk Landscapes did file an application with the El Paso County Planning and Community Development Department for approval of a variance of use to allow a contractor's equipment yard within the RR-5 (Residential Rural) zoning district for property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference; and

WHEREAS, a public hearing was held by this Commission on September 7, 2023; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the Master Plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission Members during the hearing, this Commission finds as follows:

1. The application was properly submitted for consideration by the Planning Commission;
2. Proper posting, publication and public notice were provided as required by law for the hearing before the Planning Commission;
3. The hearing before the Planning Commission was extensive and complete, that all pertinent facts, matters, and issues were submitted and that all interested persons and the general public were heard at that hearing;
4. All exhibits were received into evidence;
5. The proposed land use does not permit the use of an area containing a commercial mineral deposit in a manner which would interfere with the present or future extraction of such deposit by an extractor;
6. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County Subdivision Regulations; and

7. For the above-stated and other reasons, the proposed special use is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

WHEREAS, as stated in Section 5.3.4.C of the El Paso County Land Development Code (as amended), the Planning Commission and Board of County Commissioners may consider the following criteria in approving a Variance of Use:

1. The strict application of any of the provisions of the Code would result in peculiar and exceptional practical difficulties or undue hardship;
2. The variance of use is generally consistent with the applicable Master Plan;
3. The proposed use is compatible with the surrounding area, harmonious with the character of the neighborhood, not detrimental to the surrounding area, not detrimental to the future development of the area, and not detrimental to the health, safety, or welfare of the inhabitants of the area and County;
4. The proposed use will be able to meet air, water, odor or noise standards established by County, State, or Federal regulations during construction and upon completion of the project;
5. The proposed use will comply with all applicable requirements of the Code and all applicable County, State, and Federal regulations except those portions varied by this action;
6. The proposed use will not adversely affect wildlife or wetlands;
7. The applicant has addressed all off-site impacts;
8. The site plan for the proposed variance of use will provide for adequate parking, traffic circulation, open space, fencing, screening, and landscaping; and/or
9. Sewer, water, storm water drainage, fire protection, police protection, and roads will be available and adequate to serve the needs of the proposed variance of use as designed and proposed.

NOW, THEREFORE, BE IT RESOLVED, the El Paso County Planning Commission recommends approval of the variance of use to allow a contractor's equipment yard within the RR-5 (Residential Rural) zoning district with the following conditions and notations:

CONDITIONS

1. Approval is limited to the use of a contractor's equipment yard, as discussed and depicted in the applicant's letter of intent and site plan drawings. Any subsequent addition or modification

to the use beyond that described in the applicant's letter of intent and as shown on the site plan shall be subject to approval of a new Variance of Use request.

2. A site development plan shall be applied for and approved to legalize the existing use on the site within six (6) months of the date of Variance of Use approval by the Board of County Commissioners. The deadline may be extended by the PCD Director, at his or her discretion, if the Director finds that the applicant has made a good faith effort to secure such approval.

NOTATIONS

1. Variance of Use approval includes conditions of approval and the accompanying site plan and elevation drawings. No substantial expansion, enlargement, intensification, or modification shall be allowed except upon reevaluation and public hearing as specified in the El Paso County Land Development Code.
2. The Board of County Commissioners may consider revocation and/or suspension if zoning regulations and/or Variance of Use conditions/standards are being violated, preceded by notice and public hearing.
3. If the Variance of Use is discontinued or abandoned for two (2) years or longer, the Variance of Use shall be deemed abandoned and of no further force and effect.

AND BE IT FURTHER RESOLVED that this Resolution and the recommendations contained herein be forwarded to the El Paso County Board of County Commissioners for its consideration.
