

RESOLUTION NO. 23-25

BOARD OF COUNTY COMMISSIONERS
COUNTY OF EL PASO, STATE OF COLORADO

APPROVAL OF A PRELIMINARY PLAN FOR
HOMESTEAD NORTH FILING NO. 3 PRELIMINARY PLAN (SP-22-007)

WHEREAS, Classic SRJ Land, LLC, and SR Land, LLC, did file an application with the El Paso County Planning and Community Development Department for the approval of a preliminary plan for the Homestead North Filing No. 3 Subdivision for property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference; and

WHEREAS, a public hearing was held by the El Paso County Planning Commission on January 5, 2023, upon which date the Planning Commission did by formal resolution recommend approval of the preliminary plan application; and

WHEREAS, a public hearing was held by the El Paso County Board of County Commissioners on January 17, 2023; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the master plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, comments by the El Paso County Planning Commission Members, and comments by the Board of County Commissioners during the hearing, this Board finds as follows:

1. That the application was properly submitted for consideration by the Board of County Commissioners.
2. That proper posting, publication, and public notice were provided as required by law for the hearings before the Planning Commission and the Board of County Commissioners.
3. That the hearings before the Planning Commission and the Board of County Commissioners were extensive and complete, that all pertinent facts, matters, and issues were submitted and reviewed, and that all interested persons were heard at those hearings.
4. That all exhibits were received into evidence.
5. That the proposed subdivision is in general conformance with the goals, objectives, and policies of the Master Plan.
6. That the subdivision is in conformance with the subdivision design standards and any approved sketch plan.

7. That the subdivision is consistent with the subdivision design standards and regulations and meets all planning, engineering, and surveying requirements of El Paso County for maps, data, surveys, analyses, studies, reports, plans, designs, documents, and other supporting materials.
8. That a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. §30-28-133(6)(a)] and the requirements of Chapter 8 of the Land Development Code.
9. That a public sewage disposal system has been established and, if other methods of sewage disposal are proposed, the system complies with State and local laws and regulations [C.R.S. §30-28-133(6)(b)] and the requirements of Chapter 8 of the Land Development Code.
10. That all areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified and the proposed subdivision is compatible with such conditions [C.R.W. §30-28-133(6)(c)].
11. That adequate drainage improvements complying with State law [C.R.S. §30-28-133(3)(c)(VIII)] and the requirements of the Land Development Code and the Engineering Criteria Manual are provided by the design.
12. That the location and design of the public improvements proposed in connection with the subdivision are adequate to serve the needs and mitigate the effects of the development.
13. That legal and physical access is or will be provided to all parcels by public rights-of-way or recorded easement, acceptable to the County in compliance with the Land Development Code and the Engineering Criteria Manual.
14. That the proposed subdivision has established an adequate level of compatibility by (1) incorporating natural physical features into the design and providing sufficient open spaces considering the type and intensity of the subdivision; (2) incorporating site planning techniques to foster the implementation of the County's plans, and encouraging a land use pattern to support a balanced transportation system, including auto, bike and pedestrian traffic, public or mass transit if appropriate, and the cost effective delivery of other services consistent with adopted plans, policies and regulations of the County; (3) incorporating physical design features in the subdivision to provide a transition between the subdivision and adjacent land uses; (4) incorporating identified environmentally sensitive areas, including but not limited to, wetlands and wildlife corridors, into the design; and (5) incorporating public facilities or infrastructure, or provisions therefor, reasonably related to the proposed subdivision so the proposed subdivision will not negatively impact the levels of service of County services and facilities.

15. That necessary services, including police and fire protection, recreation, utilities, open space, and transportation system are or will be available to serve the proposed subdivision.
16. That the subdivision provides evidence to show that the proposed methods for fire protection comply with Chapter 6 of the Land Development Code.
17. That the proposed subdivision meets other applicable sections of Chapters 6 and 8 of the Land Development Code.
18. That for the above-stated and other reasons, the proposed subdivision is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

NOW, THEREFORE, BE IT RESOLVED the Board of County Commissioners of El Paso County, Colorado, hereby approves the preliminary plan application for the Homestead North Filing No. 3 Subdivision;

BE IT FURTHER RESOLVED that the following conditions and notations shall be placed upon this approval:

CONDITIONS

1. Applicable park, drainage, bridge, and traffic fees shall be paid to El Paso County Planning and Community Development at the time of final plat(s) recordation.
2. The developer shall obtain approval of the necessary pre-subdivision site grading construction documents prior to scheduling a preconstruction meeting with the Planning and Community Development Department Inspections staff.
3. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
4. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
5. The subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat

recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.

- 6. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.
- 7. Open space buffers shall be no less than what is graphically depicted on the October 2008 Amended Sketch Plan Map in subsequent preliminary plan(s) and final plat(s) submittals.
- 8. The developer shall participate in a fair and equitable manner in offsite transportation improvements, including but not limited to the items listed in Table 3 of the Homestead North Phase 1 Updated Traffic Impact Study, as amended and pending approval, to be verified with an updated traffic impact analysis or memorandum as appropriate with each final plat in the Homestead North at Sterling Ranch rezoning area.

NOTATIONS

- 1. Subsequent final plat filings may be approved administratively by the Planning and Community Development Director pursuant to Section 7.2.1.3.D of the Land Development Code.
- 2. Preliminary plans not forwarded to the Board of County Commissioners within 12 months of Planning Commission action shall be deemed withdrawn and shall have to be resubmitted in their entirety.
- 3. Approval of the preliminary plan will expire after three (3) years unless a final plat has been approved and recorded or a time extension has been granted.
- 4. Improvements to Vollmer Road and Briargate Parkway adjacent to the preliminary plan area are to be provided in accordance with the Development Agreement recorded at reception number 222098865 (PCD project number DA221). These road improvements may be subject to reimbursement as outlined in the El Paso County Road Impact Fee Program.

AND BE IT FURTHER RESOLVED that the record and recommendations of the El Paso County Planning Commission be adopted.

DONE THIS 17th day of January 2023 at Colorado Springs, Colorado.
