

El Paso County Park Advisory Board

Agenda Item Summary Form

Agenda Item Title: Bent Grass Residential Filing No. 2 Final Plat

Agenda Date: September 11, 2019

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: **Endorsement:** X

Background Information:

Request for approval by Galloway and Company, Inc., on behalf of Challenger Homes, Inc., of Bent Grass Residential Filing No. 2 Final Plat, which consists of 181 single-family residential lots on 50.8 acres, with a minimum lot size of 5,375 square feet. Zoned PUD, the site is located west of Falcon, northwest of the intersection of Woodmen Road and Meridian Road, and is located within the Falcon-Peyton Small Area Master Plan area.

The 2013 El Paso County Parks Master Plan shows the proposed Woodmen Hills Secondary Regional Trail trending north-south through the middle of the overall Bent Grass development, as part of Bent Grass Residential Filing No. 3, which is immediately adjacent and west of the current application for Bent Grass Residential Filing No. 2. No other parks, trails, or open space are impacted by this development, and the project site is not located within any Candidate Open Space Area.

Originally endorsed by the Park Advisory Board in 2006 and as amended in 2014, the Bent Grass PUD Development Plan and Preliminary Plan included Tract D, a 7.2-acre community park site, as well as three tracts (A, F, L) labeled as pocket parks, two of which are located within Filing No. 2. Numerous other tracts were identified as "Pedestrian Trail and Drainage" and included in the overall 12% open space calculations. The aforementioned Woodmen Hills Secondary Regional Trail is located within four of those tracts and immediately adjacent the community park site. The PAB endorsed both PUD Preliminary Plans and Preliminary Plan with the following recommendation:

(2006 / 2014) Recommend to the Planning Commission and the Board of County Commissioners that approval of the PUD and Preliminary Plan include the following conditions: show dedication of a 25-foot public regional trail easement to El Paso County on the PUD plan; show the location of the trail on the PUD plan; require fees in lieu of land dedication for regional park purposes in the amount of \$28,662 and urban fees in the amount of \$18,054.

The recorded 2014 PUD Preliminary Plan Amendment, necessary primarily for major lot configuration changes in the Phase I section of the development, showed a loss of two pedestrian trail corridors in Phase I, as well as a reduction in the overall size of the community park from 7.2 acres to 3.39 acres due to the inclusion of a detention pond in the southern section of the original park location. The Woodmen Hills Secondary Regional Trail location is

shown as a northwest-southeast trending corridor, still located immediately adjacent the community park. The final location of this easement will be finalized with future plat recordings.

As no park land dedications or trail easements are required for Bent Grass Residential Filing No. 2 Final Plat, staff recommends fees in lieu of regional and urban park fees. The applicant is advised, however, that El Paso County will require a 25-foot trail easement in forthcoming final plats, and will coordinate the location of this easement prior to the recording of said plats. Staff also encourages development of the two pocket parks located within Filing No. 2, with no further reductions in park, trail, or open space areas in future filings.

Recommended Motion (Bent Grass Filing No. 2 Final Plat):

Recommend to the Planning Commission and the Board of County Commissioners that the approval of Bent Grass Residential Filing No. 2 Final Plat include the following conditions: require fees in lieu of land dedication for regional park purposes in the amount of \$82,536 and urban park fees in the amount of \$52,128. A park lands agreement may be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording the final plat.
