Dear Ms. Parsons:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Bent Grass Residential, Filing 2

Project Number: SF 1914

Description: Approval is being requested for the Final Plat for Bent Grass Residential Filing #2 Subdivision. This development will consist of 121 single family residential lots on approximately 51 acres zoned PUD (Planned Unit Development). The subdivision is planned for a parcel west of Meridian Road and north of Woodmen Road in Section 01, Township 13 South, Range 65 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Connection requirements may include provisions for necessary line extensions and / or other system improvements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA requests a seven & half (7.5) rear lot utility easement, five (5) foot side lot utility easement, and ten (10) front lot line utility easement along with a twenty (20) foot exterior utility easement on plat. MVEA also requests platting of existing MVEA facilities with easement on the plat. If open space, drainage and landscape tracts are designed in this subdivision MVEA requests these areas be listed to include utilities. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA in order to serve this subdivision.

This Association is an equal opportunity provider and employer.

MVEA has existing facilities near and within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required in order to serve.

Mountain View will require that the owner or developer of this project coordinate with it and the El Paso County concerning the location of any roads or other public improvements that it constructs, including any offsite modifications to existing roads or other public improvements, in order that arrangements can be made, in advance of entering into any construction contracts affecting such facilities, to complete any necessary relocation of Mountain View facilities prior to construction of said improvements, all in accordance with Colorado law and Mountain View's published policies and Bylaws. Mountain View will not proceed to relocate any facilities until after such coordination is complete and Mountain View has been paid those relocation costs that are properly owned it under its published policies and Bylaws and Colorado law.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,
