FIRE COMMITMENT LETTER

Friday, November 19, 2021

To whom it may concern,

The Ellicott Fire Protection District currently provides fire protection services to the MVE Development Sites located in Viewpoint Estates "Chesley Drive", as they are in our primary response area.

Additional construction will necessitate needed infrastructure to maintain the proper level of service to the citizens of Ellicott Fire Protection District.

Ellicott Fire Protection District is currently an ISO 6/9, and provides structural and wildland fire suppression services throughout the district. Ellicott Station 2 is our headquarters station servicing this area, located at 75 North Ellicott Highway, Calhan, Colorado, 80808, which is approximately 4.0 miles away. Ellicott does have additional unmanned sub stations located at 3525 S. Meridian Road and 15355 E. Jones Road that may have equipment respond as needed.

Any further questions can be answered by the Fire Chief at 719-683-7211.

Respectfully,

Michael Henley

Fire Chief

Ellicott Fire Protection District
