Please accept the following comments from El Paso County Public Health (EPCPH) regarding the project referenced above:

- The 2+ acre commercial community zoned lot, if approved, will likely remain connected to water and wastewater services provided by Stratmoor Hills Water and Sanitation District. (No information on water or wastewater service was provided with the documents submitted for this proposed project.
- El Paso County Public Health does not have regulatory jurisdiction over this proposed Substance Use Disorders facility; however, the Colorado Department of Public Health and Environment must be contacted to verify the extent of their regulatory authority, if any, over this proposed use.
