Jason, I apologize for taking so long to get back to you. After giving this a little more thought, it makes more sense to me to do a new SIA, since this is a new plat with a new owner. I have attached a draft for your review, and you will see that it specifically replaces and supersedes the SIAs for Filing 1.

I cannot find any record of the Amendment to the SIA for Filings 1 and 2 ever getting signed and recorded. Do you have a recorded copy?

Lori
