

September 11, 2018

Len Kendall
Project Manager
El Paso County Dev Services Dept.
2880 International Circle, Suite 110
Colorado Springs, CO 80910

Dear Mr. Kendall:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Verizon CSP Judge

Project Number: EA 18182

Description: Verizon Wireless is requesting approval to co-locate antennas & equipment on existing CMRS facilities at 9755 Towner Avenue in Peyton, CO. This tower location is west of Meridian Road and north of Stapleton Drive near the athletic field on School District 49 property in Section 25, Township 12 South, Range 65 West.

This area is within MVEA certificated service area. MVEA will continue to serve this location according to our extension policy. Information concerning additional connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA. Should any existing facilities associated with this parcel of land require being removal or relocation it will be at the expense of the applicant and a review of easements will be required.

MVEA has no objection to the telecommunication equipment being installed on the School District 49 property.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
Engineering Administrative Assistant

This Association is an equal opportunity provider and employer.
