

# Petition Regarding Gone Trucking, LLC

Petition summary and background	Gone Trucking, LLC (owner Gary Meisman) is seeking a Special Use Permit to allow for a Rural Home Occupation for a trucking business within the RR5 zoning district. This permit would allow the business to utilize privately maintained roads in the Villa Casitas residential development.
Action petitioned for	We, the undersigned, as concerned home owners would urge our leaders to act now to stop this business from being permitted in our RR5 district. The allowance of this permit to Gone Trucking, LLC will be disruptive to our neighborhood and destructive to the roadways that we struggle to maintain with limited funding.
