Background Information:

This is a request by Classic Consulting Engineers & Surveyors, LLC, on behalf of FLRD #2, LLC, for approval of the Forest Lakes Filing No. 5 Final Plat, which consists of 33 single-family residential lots on approximately 24.25 acres. The Forest Lakes development is located west of the Interstate 25 and Baptist Road interchange on Forest Lakes Drive, surrounding Beaver Creek, Bristlecone Lake, and Pinon Lake. Filing No. 5 is a part of Forest Lakes Phase II PUD Preliminary Plan, which was endorsed by the Park Advisory Board in February 2018.

The El Paso County Parks Master Plan (2013) shows that the overall Forest Lakes development impacts the proposed Forest Lakes Secondary Regional Trail, which has connections to the existing New Santa Fe Regional Trail and the proposed Baptist Road Bicycle Route, both located to the east of the project site. When completed, the Forest Lakes Trail will ultimately connect the New Santa Fe Regional Trail to Pike National Forest lands to the west of the project site. This proposed trail corridor, however, is located immediately adjacent Filing No. 5 and is not included in the current application.

Furthermore, the Open Space Master Plan of the Parks Master Plan shows both the Foothills and Forest Lakes Candidate Open Spaces encompassing the project site. Natural resource values within the Forest Lakes area are concentrated around wildlife habitat, primarily for the Preble's Meadow Jumping Mouse (a federally-threatened species), as well as herbaceous, grassland, and riparian vegetation. This area contains habitat parameters likely critical to the mouse persistence. The Foothills area represents a significant transition between diverse natural attributes of the High Plains and the complex elements of the Front Range mountain habitats.

The Forest Lakes Phase II PUD Preliminary Plan contains 201 acres of open space, far exceeding the 10% PUD open space requirement. Filing No. 5 contains 8.73 acres of open space, comprising 36% of the filing. According to

Sheet 8 of the PUD Preliminary Plan, a short trail will connect residents of Filing No. 5 from Forest Lakes Drive to the adjacent Forest Lakes Secondary Regional Trail through a small open space tract.

In November 2001, the Forest Lakes Phase I PUD Development Plan and Preliminary Plan was approved with the Park Advisory Board-endorsed motion to direct El Paso County Parks staff to *“work with the developer on public-use trail easement, trail construction, and fencing to offset park fees.”* Furthermore, in 2003, the Forest Lakes Filing No. 1 Final Plat was approved with the PAB-endorsed motion to *“accept approximately three miles of regional trail to be constructed by the developer in lieu of regional park fees.”*

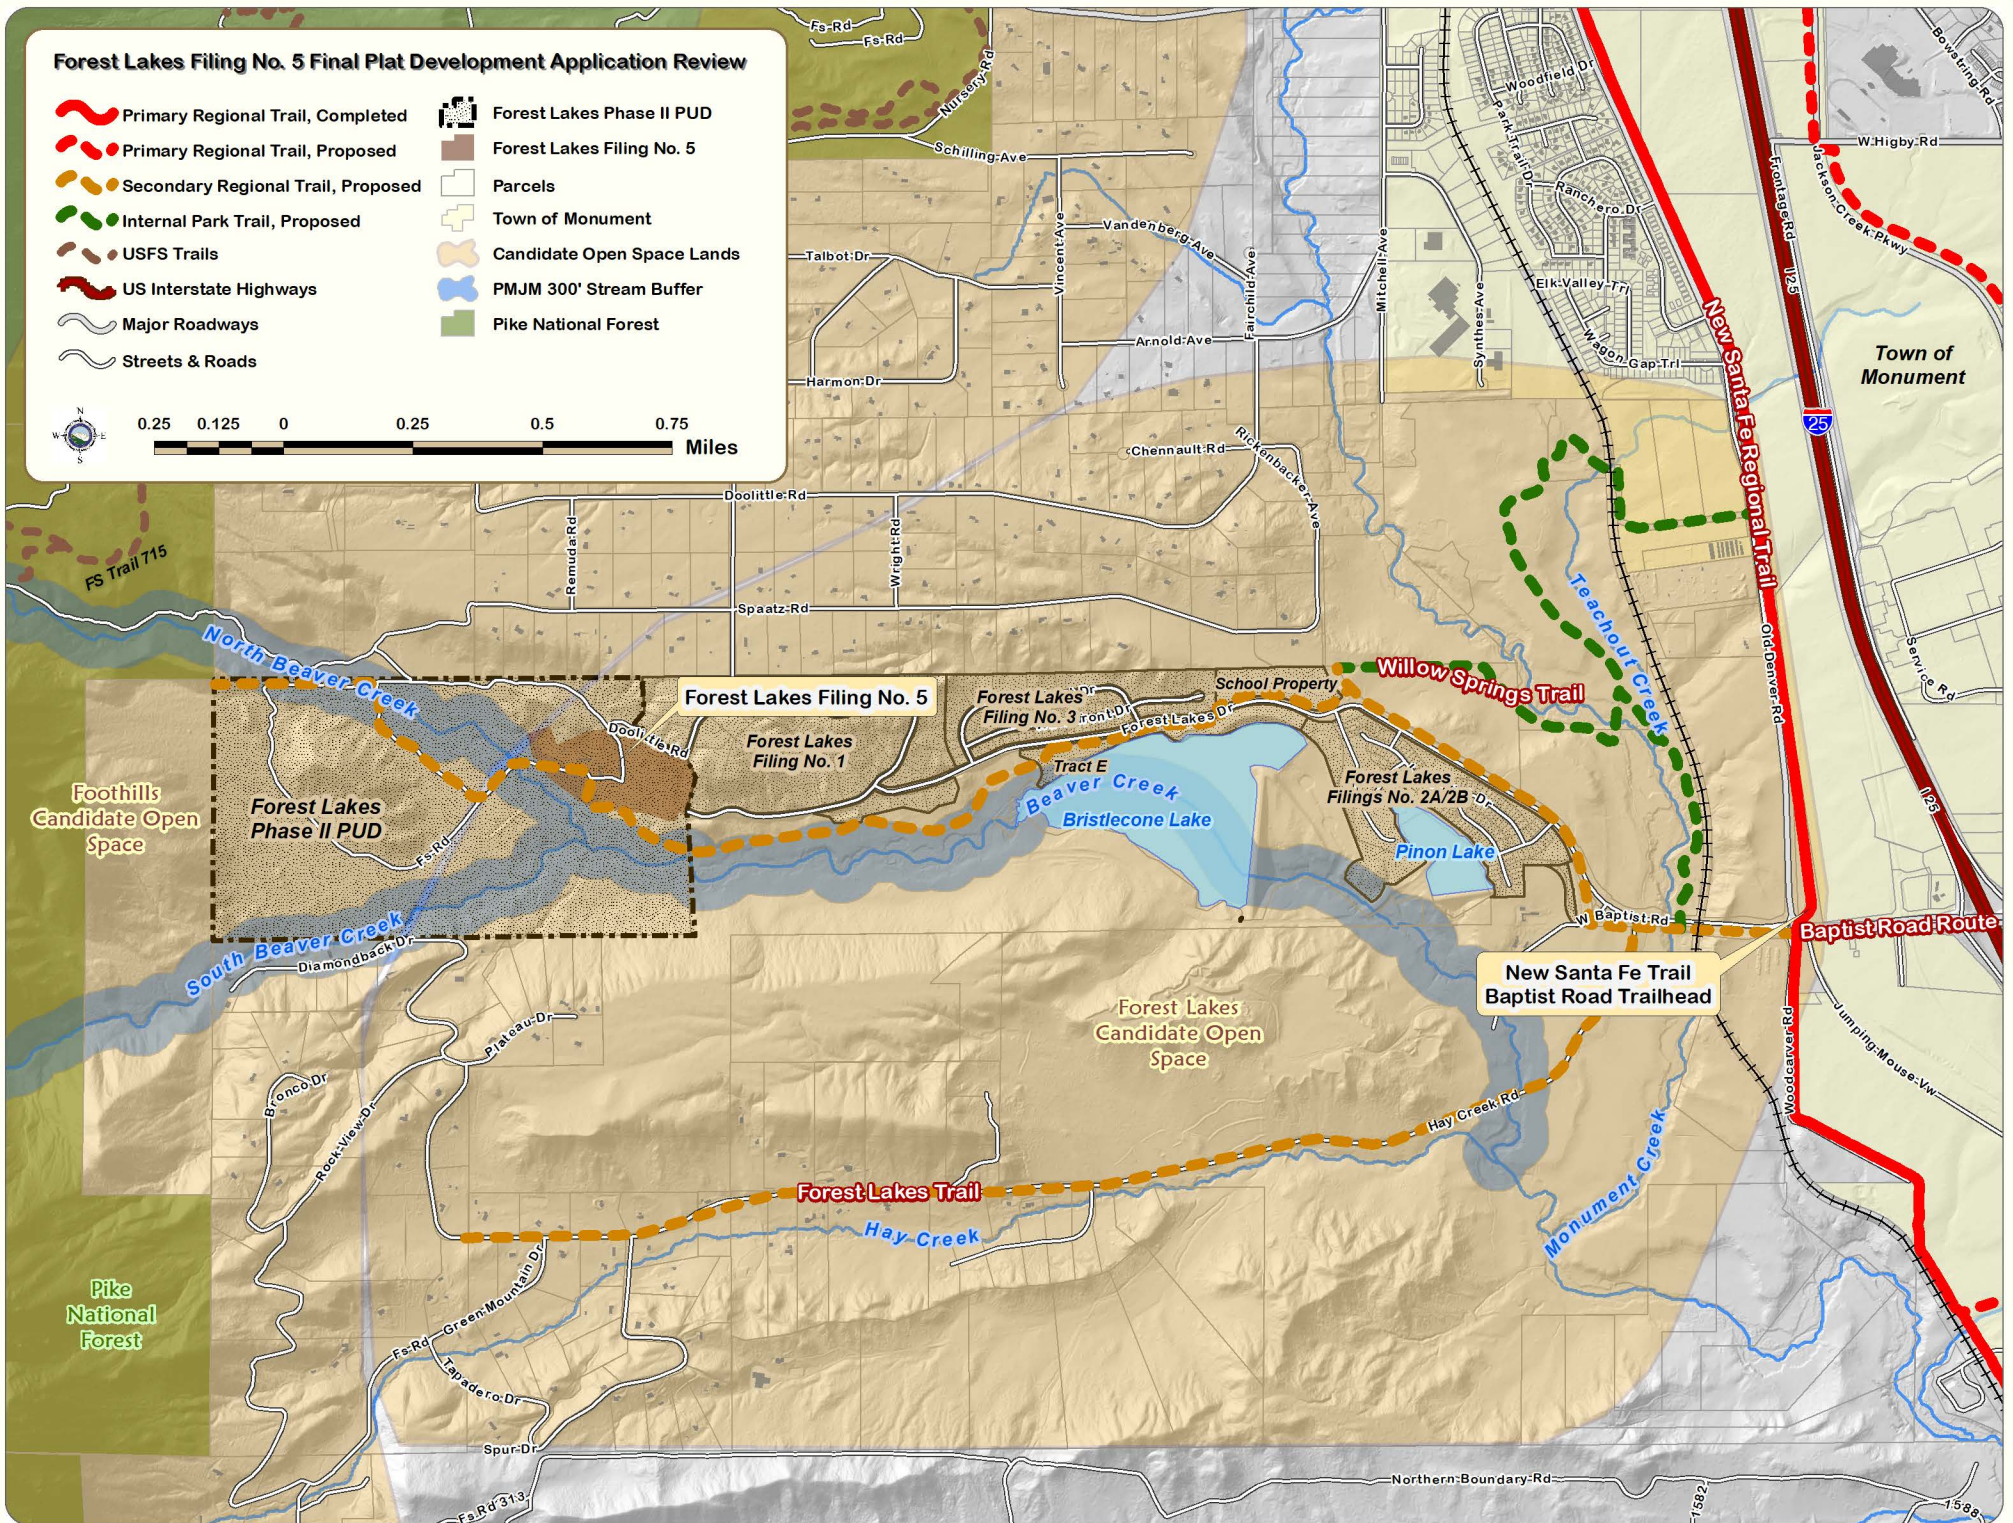

El Paso County Parks requests dedication of trail easements or other mitigation as allowed by the Land Development Code and applicable procedures if the El Paso County Parks Master Plan identifies a trail and/or route within a project area. As it pertains to this application, staff continues to acknowledge the waiver of regional park fees within the Forest Lakes development in exchange for the proposed Forest Lakes Secondary Regional Trail improvements and recommends endorsement of Forest Lakes Filing No. 5 Final Plat, with no trail easement or park land dedications necessary.

Recommended Motion:

Recommend to the Planning Commission and the Board of County Commissioners that the approval of the Forest Lakes Filing No. 5 Final Plat include the following conditions: (1) County Parks acknowledges the waiver of \$15,048 in regional park fees in exchange for the proposed Forest Lake Secondary Regional Trail improvements; (2) require urban park fees in the amount of \$9,504. A park lands agreement may be an acceptable alternative to urban park fees provided the agreement is approved by the County and executed prior to recording the final plat.
