Please accept the following comments from El Paso County Public Health for the project referenced above:

- Earthmoving activities greater than 25 acres require a Construction Activity Permit from the Colorado Department of Public Health and Environment, Air Pollution Control Division. Go to:
<https://www.colorado.gov/pacific/cdphe/general-air-permits>
- If necessary, the location of a property owners onsite wastewater treatment system can be found through the El Paso County Assessors Office property search page or by contacting El Paso County Public Health.
