EPC Planning and Community Development  
2880 International Circle, Suite 110  
Colorado Springs, CO 80910

Please clarify the request is for 131 lots total.

Re: Parcel #: Multiple – Please see attached Excel Spreadsheet  
Address: Multiple – Please see attached Excel Spreadsheet

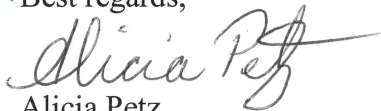

To EPC Planning and Community Development:

I am writing this letter on behalf of David Weekley Homes, LLC to get approval of “blanket” admin relief. We have run into several lots in the Cloverleaf Filing 2 community that require admin relief due to covered/uncovered decks and/or uncovered deck steps that go into the 25’ setback. The strict application of rear setbacks for the attached decks are unreasonable or unnecessary given that the proposed deck is taller than the 18 inch threshold in Section 5.4.3.D.8. Given the unique topography of the lot, we are unable to reduce the height of the deck without creating the need for additional grading and site disturbance as discussed in Section 5.5.1.D.2. of the Land Development Code. The intent of the Code and the specific regulation in question is preserved. The granting of the administrative relief will not result in an adverse impact on surrounding properties and will not increase the number of dwelling units on a parcel.

The adjacent properties are currently owned by David Weekley Homes, and we do not foresee any issues by allowing us to proceed with this request.

We appreciate your time and consideration on this matter.

Best regards,

Alicia Petz

Could you add a sentence which states "The subject properties are located in the RS-5000 (Residential Suburban) zoning district which has a rear setback requirement of 25ft. Administrative Relief will permit for a 20% (5 ft) reduction in the require 25ft rear setback."
