APPLICATION FOR A PERMIT TO CONDUCT A
DESIGNATED ACTIVITY OF STATE INTEREST
OR TO ENGAGE IN DEVELOPMENT IN A
DESIGNATED AREA OF STATE INTEREST

TO: Permit Authority, El Paso County

RE: Academy Water and Sanitation District, Lift Station and Force Main

FROM: Academy Water and Sanitation District

DATE SUBMITTED: April 12, 2017

DATE RECEIVED AND ACCEPTED AS COMPLETE: _____

1. Matter of State Interest.

The applicant requests that a permit be issued for each of the items checked below:
A permit to conduct one or more of the following matters of state interest:

- a. Efficient utilization of municipal and industrial water projects
- b. Site selection and construction of major new domestic water and sewage treatment systems and/or major extension of existing domestic water and sewage treatment systems
- c. Site selection and construction of major facilities of a public utility
- d. Development in areas containing or having a significant impact upon floodplain natural hazard areas
- e. Site selection and expansion of airports
- f. Site selection of arterial highways and interchanges and collector highways
- g. Site selection of rapid or mass transit facilities

2. Proposed Activity or Development.

General description of the specific activity or development proposed:

The new lift station and force main are proposed as a result of potential changes in the future effluent limits for the Academy Water and Sanitation District (AWSD) existing wastewater treatment facility (WWTF) which discharges to surface water. Future effluent limit changes would require changes in facility effluent quality, which in turn would warrant changes in the treatment technologies utilized at the existing lagoon system. Rather than pursue extensive improvements to the existing WWTF, the District has elected to install a lift station at the WWTF site to transfer wastewater to Donala Water and Sanitation District (DWSD) wastewater collection system. Ultimately the

AWSD's wastewater will be treated at the Upper Monument Creek Regional Wastewater Treatment Facility which is operated by the DWSD. This endeavor will regionalize the wastewater treatment in the area and will result in the decommissioning of the AWSD WWTF.

3. Location of Development.

A general, nonlegal description and the popular name, if any, of the tract of land upon which the activity or development is to be conducted:

The new lift station will be constructed on a parcel of land owned by the Academy Water and Sanitation District which lies south of Spring Valley Drive, is addressed as 14960 Raton Road and is approximately 11,050 feet east of Sun Hills Drive.

4. Legal Description

The legal description, including the acreage, of the tract of land upon which the development or the activity is to be conducted, by metes and bounds or by government survey description: (attach additional sheets if necessary):

Lot 2, Pleasant View Estates Filing No. 5A as recorded in Plat Book H-5 at Page 121 and as amended by Surveyor's Statement recorded in Book 6894 at Page 1075, all in the records of El Paso County, Colorado, containing approximately 6.661 acres of land, more or less.

5. Owners and Interests

Set out below the names of those persons holding recorded legal, equitable, contractual and option interests and any other person known to be the applicant having any interest in the property described in paragraph 4, above, as well as the nature and extent of those interests for each person, provided that such recorded interests shall be limited to those which are recorded in the El Paso county Clerk and Recorder's Office, the land office of the Bureau of Land Management for this State, the Office of the State Board of Land Commissioners of the Department of Natural Resources, or the Secretary of State's Office of this State (attach additional sheets if necessary):
