### **McDaniels Rezone, P-22-6**

**Please accept the following comments from El Paso County Public Health (EPCPH) regarding the 40-acre, 4-residential lot project referenced above:**

- **There are no public health issues noted with the proposed rezone noted by El Paso County Public Health.**
- **Each lot developed must have an approved Onsite Wastewater Treatment Sysyem (OWTS) Permit issued prior to lot development. All minimum horizontal OWTS installation setbacks must be met.**
- **The 2021 water quality report referenced in the Letter of Intent was not included in the submittal; therefore, a finding for sufficiency was not made at this time, nor is it required at this point.**
